

## L4A Training Calendar - 2019

Below is an outline of our training for 2019. Our training program has been overhauled to better align with the new FASEA requirements. To provide maximum choice without increased the cost, we will be tapping into the wider suite of training offered by our JV partner, Holley Nethercote. Some key points to note.

- We will be providing access to over 30 hours of training p.a.
- There will be a mix of online and face to face options
- The training will meet all of FASEA's minimum category requirements
- We will be reviewing our 'training only' option in light of the new FASEA requirements
